

LITTLE FLOWER DEGRE & PG COLEGE

UPPAL, HYDERABAD-500039

The Department of Computer Science organised a field trip for all BSC first year students to Abacus IT Park (**WINDOW SOFT**) at 11 a.m. on 12 August, 2023. Mr. Sathish Panniru, CEO of Window Soft IT Company, explained the company management as well as the tools like Chat GPT, Android, and iOS-based system development projects to our students. In addition, he enlightened the students on the work environment in the IT Company. The students actively participated and experienced the IT company environment. They asked some queries regarding the tools that are mostly used in the IT sector.
