

## **REPORT ON CAREER GUIDANCE PROGRAM**

The Alan Turing Club has organized a career guidance session for II and III B.SC (physical science) students on August 18, 2023. This program was organised to provide information on how to prepare for competitive exams like the PGCET, IIT JAM, etc. The students were given instructions by Mr. Kanaka Reddy, a trainer for competitive exams, regarding the academic areas in which they should focus to achieve the highest possible exam scores. Students gained knowledge about the preparation for competitive examinations.

Mr. Kanaka Reddy, trainer of Competitive Examinations explaining to students, the importance of concentrating on the subjects during the 3-year degree course.

Students, listening attentively to the resource person
