The Department of Library Science held a PowerPoint presentation competition in 2023 as a part of the academic festivities with the theme "STUDY A TOPIC OF YOUR CHOICE-A PPT." This tournament took place on September 26, 2023, from 12:40pm to 1:40pm in room P14. The purpose of this program is to teach students about a topic so they can explain it to their peers. Students from all academic disciplines took part in this tournament. Ms. Thane served as the contest judge on this occasion. These students tried to select the subjects that are pertinent to the current situation, researched them, and gave their presentations well in advance of the audience.

**Contest judging By Ms. Thane (HOD-Political Science)**
