The Department of Mass Communication and Journalism produced a short film aimed at creating awareness on mental health and suicide prevention. Pre-production work on the movie began on 20 September, 2023. The film was shot in multiple indoor and outdoor locations. The post-production work was completed by 04 October, 2023. The short film aimed at giving students hands-on experience in film production, cinematography, editing, and other pre-requisites for an on-field production of a movie. Students learned about the art of writing for screens and how to conceive of it. The film was submitted to a competition organised by the Karnataka Government and NIMHANS.
