

## LITTLE FLOWER DEGREE AND PG COLLEGE

UPPAL, HYDERABAD-500039

The Department of Statistics conducted the Intra-Collegiate Competition “**CROSSWORD PUZZLE**” on 9 October, 2023, at 12.40 p.m. related to the topic of descriptive statistics. The competition was conducted for all the streams of students in their first, second, and final years. The aim of the programme was to encourage students to form words that lead to answers in the field of statistics. 35 students from all streams enthusiastically participated in this event. When building their own crossword puzzles, students could widen their thoughts about the scope, expanding their technical vocabulary and associated concepts in the field of statistics.

MS. Dhwani, Head, Department of Statistics conducting the event
