UPPAL, HYDERABAD**

**REPORT:**

**IDEATHON AT ST. FRANCIS COLLEGE**

On the 23rd of February 2024, St. Francis College hosted 'Ideathon', an event aimed at fostering creativity and innovation among its students. The event witnessed enthusiastic participation from students across various disciplines. The 'Ideathon' comprised three rounds,

First Round - Basic Computer Science Questions.

Second Round - Error Correction in Programs: Following the initial round, participants were tasked with identifying and correcting errors in programs displayed on a monitor.

Final Round - Transformation of Ideas into Visual Wireframes.

Durga Sai Sharan and Vamshi Phanindra from MSCS II exhibited remarkable enthusiasm throughout the event. At the end of the event, winners were announced and rewarded. Cash prizes were awarded to the top-performing teams, Additionally, all participants were presented with participation certificates as a token of appreciation for their involvement in the event.
