

# LITTLE FLOWER DEGREE COLLEGE

UPPAL, HYDERABAD

## VANA MAHOTSAV

The faculty of Botany, Department of Life Sciences at LFDC organized a vanmahotsav celebration on November 17<sup>th</sup> 2023. The primary objective of the event is to provide the students with practical learning experience related to botany and ecology. Students actively engaged in activities like labelling trees and studying various species across the campus. This hands-on approach allowed students to deepen their understanding of tree identification, species diversity, and environmental awareness. The outcome of the event is developed a heightened sense of environmental consciousness.
