MAY 2023 EDITION

“

Little Flower Degree & PG College, Uppal is a Catholic Minority Institution established by the Montfort Brothers of St. Gabriel. It was started in 2008 as a part of Little Flower Junior College, Hyderabad. At present the College buildings comprise two imposing Four storied-blocks. Spacious grounds and plenty of greenery all around, give the College an impressive look and create a congenial atmosphere for academic pursuits. The large and numerous classrooms have given rise to a substantial increase in students strength. We are proud to stand tall and be known as one of the best colleges in the city. It is our endeavor, to move forward with the willing and active co-operation of everyone who is a partner in the blossoming and grooming of "LITTLE FLOWERS".

Principal's Message

Dear Students,

I am delighted to congratulate you all on the first edition of our students' magazine, "LFDC 'IN' SIGHT". The magazine is an excellent initiative, providing a platform to our talented students to showcase your creativity, writing skills, and artistic abilities. "LFDC 'IN'SIGHT'" is a reflection of the hard work, dedication, and enthusiasm of you all and teachers. I encourage all students to contribute to future editions of the magazine and enable the editorial team to make it a regular feature that can be a great way to put on record our college's activities. I hope that this magazine will inspire all our students to pursue their passions and showcase their talents. Congratulations once again, and I look forward to reading your wonderful contributions.

Best wishes,

Rev. Bro Vincent Reddy

Vice-Principal's Message

Dear Students,

I would like to take this opportunity to congratulate you all on the successful launch of our students' magazine titled "LFDC 'IN' SIGHT". The magazine will provide our students with an incredible chance to express themselves creatively, hone their writing skills, and showcase their artistic talents. I am proud of all our students and teachers who have contributed to this magazine, including the editorial team and the writers. Your hard work and dedication have paid off, and I am sure that this magazine will serve as a source of inspiration to all our students. I encourage everyone to continue contributing to the "LFDC 'IN' SIGHT" and showcase their creativity. I also want to thank the teachers for their support and guidance in making this magazine a reality. Once again, congratulations to all of you, and I look forward to reading more exciting contributions in the future.

Best regards,

Ms. Jayanthi Reddy

Department Message

Dear Students,

The BA Department (English, Modern language, Political Science, Mass Communication, Psychology) is elated to present the first edition of student magazine. “LFDC ‘IN’SIGHT” is a testament to the creativity, writing skills, and passion of our students, who have worked hard to produce a publication that is a reflection of their creativity and umpteen skill sets. As a department, we are proud to support our students in their pursuit of excellence, and we hope that this magazine will inspire more students to express themselves in the most creative manner, write thought-provoking articles, and hone their artistic talent. We believe that reading and writing are essential skills that help students develop critical thinking, communication, and empathy. Through this magazine, we hope to foster a love for reading and writing among our students and provide a platform to them to share their thoughts and ideas. We want to congratulate all the students who have contributed to this magazine, including the writers, artists, and editorial team. We are excited to see more contributions from you in future editions. We extend our heartfelt appreciation to Ms. Shanti Nanisetti, Deputy Editor, Telangana Today, for her invaluable support and guidance in bringing out this inaugural edition. Congratulations once again, and we look forward to reading more exciting and insightful contributions from our students.

Best regards,

Department of BA (English, ML, Pol Sci., Psychology & Mass Comm.)

Editor's Note

Greetings Readers,

It is with great pleasure that we present to you the inaugural edition of our student magazine “LFDC ‘IN’ SIGHT”. This magazine is a product of the hard work and dedication of our team of student writers, editors, and designers. The name “In Sight” represents our aim to explore new insights and perspectives through education and exploration – a key goal of college life. We aspire to provide a platform and an equal opportunity everyone in terms of expressing ideas, thoughts, passions, dreams, pet peeves, and literary and artistic talent within our student community. Our magazine will showcase the unique perspectives and experiences of our diverse student body. As this is our first edition, we welcome any feedback or suggestions that you may have. We want to ensure that our future editions continue to meet your expectations and reflect the interests and concerns of our readership. Thank you for your support, and we hope you enjoy reading our magazine.

Best Regards,

Team ‘IN’ SIGHT

MASTERING TIME: THE KEY TO SUCCESS WITH EFFECTIVE TIME MANAGEMENT

Effective time management is critical to achieving success in both personal and professional life. It helps individuals prioritize tasks, stay organized, and meet deadlines, all while reducing stress and improving overall productivity.

To manage time effectively, it's important to identify goals, break them down into smaller tasks, and create a schedule to achieve them. Additionally, utilizing tools such as a planner or time management app can help track progress and optimize time usage.

Another key aspect of time management is avoiding procrastination. Setting aside distractions, setting realistic goals, and breaking tasks into smaller steps can help overcome procrastination and stay focused.

It's important to remember that effective time management doesn't mean working all the time. Scheduling time for breaks and self-care is crucial for maintaining energy and motivation.

In conclusion, mastering time through effective time management is the key to achieving success in all areas of life. By setting goals, prioritizing tasks, and avoiding procrastination, individuals can optimize their time usage and achieve their goals while maintaining a healthy work-life balance.

PRESS FREEDOM : PREREQUISITE FOR A HEALTHY DEMOCRACY

On May 3, 2023, the UNESCO is planning to organise a special anniversary event at UN headquarters in New York, marking the 30 years since the UN General Assembly's decision proclaiming an international day for press freedom.

Countries have acknowledged Freedom of Expression as a prerequisite for the enjoyment of other human rights. Years when journalism served democracy as its fourth pillar, are long gone. Raids on media houses, arresting journalists who criticise the government, and buying subservience with money, can all be seen as deliberate moves to contaminate and disregard a noble profession that once told the truth to the ones in power.

India was placed at 142nd rank in the World Press Freedom Index in the year 2021 and had sunk to 150th rank last year. The violence against journalists, politically partisan media, and increasing corporate ownership are the reasons for the decline.

India, which is considered the largest democracy, needs a course correction. It is high time we as citizens of this country stand up for this noble profession. Irresponsible journalism increases polarisation and amplifies division within countries. This World Press Freedom Day, let's hope the journalists are freed from these divisive and destructive forces to carry on with their relentless work in a responsible manner.

मेरा अनुभव

मेरा दृढ़ विश्वास है कि अनुभव किसी के व्यक्तिगत विकास में महत्वपूर्ण भूमिका निभाता है। मुख्य रूप से दो प्रकार के अनुभव होते हैं लेकिन लोग प्रमुख रूप से केवल एक को प्राप्त करने पर ध्यान केंद्रित करते हैं। पहले प्रकार का अनुभव सैद्धांतिक अनुभव है, जिस पर हम सभी अधिकतर ध्यान केंद्रित करते हैं लेकिन अनुभव प्राप्त करने का दूसरा तरीका व्यावहारिक अनुभव है। दोनों प्रकार के अनुभव एक ही सिक्के के दो पहलू हैं। अपने निकाले गए निष्कर्ष को सिद्ध करने के लिए मैं अपना व्यक्तिगत अनुभव साझा करना चाहूंगा। हाल ही में मैंने प्रबंधन के एक प्रसिद्ध क्षेत्र में रुचि प्राप्त की है जो मानव संसाधन(HR) है, मानव संसाधन के बारे में पढ़ना, सीखना, और जानना मुझे पसंद है और मुझे हमेशा आश्चर्य होता है कि प्रबंधन का यह क्षेत्र व्यावहारिक दुनिया में कैसे कार्य करेगा, यह जानने के लिए मैंने भारत की जानी-मानी हेल्थ होम केयर कंपनी पोर्टिया मेडिकल में इंटरशिप प्रोग्राम में दाखिला लिया। मैं एक अकेला इंटरन था जिसे इंटरव्यू के तीन दौर के बाद चुना गया था और मुझे अपने इंटरशिप कार्यक्रम के दौरान कोलकाता शाखा में एचआर पर्यवेक्षक को रिपोर्ट करने को निर्देशित किया गया था। अपने इंटरशिप के दौरान मैंने एचआर द्वारा रिक्रूटमेंट और ऑनबोर्डिंग में उपयोग की जाने वाली विभिन्न तकनीकों को सीखा है। दूसरी महत्वपूर्ण बात जो मैंने अपनी इंटरशिप अवधि के दौरान विकसित की है, वह यह थी कि कर्मचारियों के दस्तावेज एक महत्वपूर्ण भूमिका निभाते हैं, ऐसे कई दस्तावेज हैं जो एचआर विभाग के सुचारू कामकाज में मदद करते हैं। फॉर्म के कुछ उदाहरण जो मैंने देखे हैं वे हैं आवेदन फॉर्म, पी.एफ और ई.एस.आई फॉर्म, नो ड्यू क्लीयरेंस फॉर्म, नियम और शर्तें फॉर्म और आदि। एचआर की अन्य विशेषता जो मैंने अपनी इंटरशिप के दौरान देखी है वह यह थी कि एचआर को सिर्फ अपने विभाग से ही नहीं है अपितु संगठन से जुड़े प्रत्येक कर्मचारी के साथ संबंध बनाने की आवश्यकता है क्योंकि एचआर बच्चा पारस्परिक संचार कौशल की मांग करता है। एचआर के कुछ कार्यों को निष्पादित करते समय प्राप्त अनुभव को शब्दों में विस्तृत नहीं किया जा सकता है, लेकिन मैं यह अवश्य कह सकता हूँ कि मेरे लिए एचआर केवल एक प्रोफेशन नहीं है अपितु असरदार कर्मचारियों का सुयोजित समूह का निर्माण करना है।

EASY COOKING COURSE

The workshop, "EASY COOKING" was held on the 17th, 18th, and 19th of April 2023. It shed light on how students can cook easily.

Day 1:

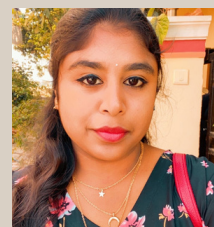

On day 1 we learnt to make Russian salad and Caesar salad. Russian salad is a famous salad served in Russian cuisine and is made using boiled potatoes, carrots and other diced vegetables or fruits. Caesar salad is a green salad made with lettuce and other green leafy vegetables. These salads are nutritious and help in keeping our bodies healthy. It was fun to make a healthy dish and not worry about eating unhealthy food.

Day 2:

On day 2 we learnt about Continental cuisine and Indian cuisine. Continental cuisine is food from Western European countries. We made white sauce pasta as a part of continental food. It was my first time making continental cuisine and I'm glad I could learn more about it. In Indian cuisine, we made paneer makhani and vegetable pulao. This is a dish we eat regularly in our life and it was a good learning experience to learn how to make it.

Day 3:

On the final day of the cooking course, we learnt about baking. We learnt to bake cookies, bread, and brownies. This was taught to us by professional chefs. This experiment took a bit of prep and a whole day of baking. So I decided to try cookies. It was the most exciting day to have experienced as I got the same delicious taste when I tried it at home.

PEACE AND SOLACE

Let me tell you what I understand.

I, a friend but nothing, understand what it's like to have a dream;

I understand what it's like to offer the world in exchange for a bit of land;

I understand when you tell me you didn't want it to be this way;

I understand when you're tired but insist on being Fine.

I, a mere existence, know what it's like to crave love and affection, and I know what it's like to

be frightened of loneliness for days on end because you never know when your whole

existence may be questioned;

I know what it's like to want to be understood.

But, let me also tell you this.

I, a similar human, understand what you're going through.

I understand what comes after a night;

I understand there will always be a rainbow after a tough day.

ITS NEVER TOO LATE

More of grey matter
Than of grey hair
More of a fighter
Than of a minibear

Hence moved her wrinkled fingers
To gather some courage
Hence moved her fragile legs
To chase some knowledge

Did so she
at the cost of her marriage
Did so she
at the cost of her bondage

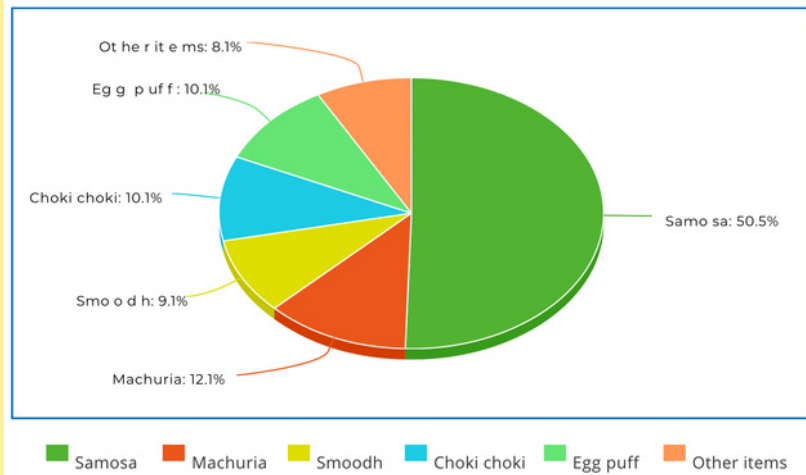

Washed the sin of compromising
Dried the energy of convincing
Folded peace to avoid downsizing
Cooked stories and started disguising

Walked away from the hearth
Far away into the forest
Coz she knows her worth
It's deepest and largest

Book: Percy Jackson and The Olympians: The Lightning Thief

We all look for an imaginary partner in books and this helps with that! Made into a major motion picture starring Logan Lerman and Alexandra Daddario, this book makes you wish Greek Gods were real.

This is a series of five books. I will be reviewing the other books in the upcoming editions. Written by the author Rick Riordan, the world of Percy Jackson is set in New York where Percy lives unknown to the fact that Gods exist among them and that he himself, is in fact a demigod (half mortal and half immortal). Our protagonist, Percy is a 12-year old witty, sarcastic boy who stays in Manhattan with his mother. Born with dyslexia and ADHD, he thinks of himself as a useless boy but his shortcomings turn out to be a superpower in disguise. As we read more of the story, we get to know that being a demigod has its own perks along with danger added into the mix. The book focuses on the trio of Percy, Annabeth and Grover who are on a quest to locate Zeus's lightning bolt.

Out of the trio, Annabeth is my favourite character. She is a strong willed girl trained in martial arts and swordsmanship. She is known for her beauty and intelligence and is the brains of the trio and was the reason the trio survived their quest lol. The book is very interesting, filled with twists and turns. It is a well paced book and a real page turner which keeps you on the edge of your seat. I'm pretty sure you'll be shocked to know who the Lightning Thief is at the end of the book. I'll give the book a solid 4.5/5 stars.

P. S You'll find the book pretty easily on the internet and if you like reading hard copies, you can find it at any book store. P. S. A web series is currently in work and comes out next year on Disney+ Hotstar.
