

Little Flower Degree College

(Affiliated to Osmania University)

Uppal, Hyderabad

Managed by Brothers of St Gabriel Educational Society

Media are instruments or tools used to deliver and store the content or semantic information or the subject matter of which the media, The College mainly focuses on media in the form of print media, news, photography, videography, broadcasting, digital media, and advertising. Media Corner extends its collaboration through TV Digital provides visual content and highlights of academic events, making it engaging for students . The college website serves as a central hub for information, accessible to all with internet access, and can host detailed articles, event calendars, and announcements. The yearly magazine adds a tangible and enduring aspect to the updates, allowing for in-depth coverage, reflections on past activities, and showcasing the achievements of students and faculty.

AIM

Reflect the identity of the educational institution through delivering reports of events and activities

OBJECTIVE

Focuses on covering events and notable occasions by engaging the college community. Organize, coordinate and proofread the reports of events
