Department Name: Botany

Event Name: Van Mahotsav 2022

Date & time of Event: 5th August 10:40 am-12:20 pm

Venue: Monfort hall

NAAC criteria: 7.1.1

Report: Department of Botany celebrated Van Mahotsav 2022 to create awareness about the ancient Forest festival which was started in 1950 by K. M. Munshi the then Union minister for Agriculture and Food to create enthusiasm among masses for conservation and planting trees. As a part of creating awareness students from II BSc BZC have presented a Review video on “Impact of forest fires on environment” and also displayed different recycled products. Students from III BSc BZC performed a talk show on various themes of Environment conservation.

Plantation drive was organized in Karunya court of the campus.

	
<p>Plantation Drive by Rev. Bro. Vincent Reddy, Principal, LFDC</p>	<p>Students displaying Recycled products</p>
	
<p>Participants of the Event</p>	<p>Plantation Drive by Mrs. Jayanthi Reddy Vice Principal, LFDC</p>

**FACULTY OF BOTANY**

**MOU ACTIVITY IN COLLABORATION WITH  
ST ANNS COLLEGE, MEHDIPATNAM**

**Name of the Event: MOU.**

**Venue: ST ANN'S COLLEGE MEHDIPATNAM.**

**Date: 05-12-2022.**

**Time: 10:00 to 04:00 pm.**

**No. of students: 15**

**OBJECTIVE:** To enhance the knowledge of different species of plants and about their medicinal values. to get the practical knowledge of herbs shrubs and trees.

The Department of Botany organized a MOU PROGRAM IN COLLABORATION WITH ST. ANN'S COLLEGE on 05-12-2022, for students from BZC and BTBC II, I year, as well as BZC III year. They aimed to provide first hand exposure to diverse plant species, offering a deeper understanding of sustainable agricultural systems and the conservation of plant genetic resources.

Throughout the program, students engaged with a wide array of plant species,

The program allowed students to practically apply their theoretical knowledge gained in classrooms, their enthusiasm and active participation demonstrated a genuine interest in exploring concepts beyond traditional learning environments. Such initiatives contribute significantly to nurturing future botanists and biotechnologists who understand the crucial role of biodiversity conservation in ensuring a sustainable future.

**OUTCOME:** The outcome for the competition is students availed the knowledge of different trees like TECTONA GRANDIS, SPECIES OF FICUS PLANTS.

Students gained the knowledge on SPECIES OF PLANTS.
