FACULTY DEVELOPMENT PROGRAM

Topic: Teaching Methodologies in French language

Venue: Sarojini Naidu Vanitha Maha Vidyalaya Degree & PG College, Nampally

Date: 23. 06. 2018

Audience: Academicians

Time: 09:00 AM to 05:00 PM

Audience: Academicians

Lecturer In Charge: Ms A Harini

A One-day faculty development program about the different ways to proceed with the teaching of French language was conducted taking the present followed textbook (À Propos A1, À Propos A2) as a source of teaching.

New innovative methods followed by different teachers of all the colleges were shared. The difficulties faced in using the textbook and their solutions. How to proceed with the exams, ways to frame questions for the question papers, the division of the portion, the activities to be done etc., were discussed.

How to develop interest in students to talk in French and learn the language, ways to motivate students by explaining the benefits of French language was discussed.

FRENCH FILM SCREENING

Date: 25. 08. 2018

Film Name: Le Coco

Time: 2:30 PM

Venue: LFDC Seminar Hall

Audience: First- and second-year French students (53)

The first- and second-year French students had an opportunity to watch a French movie - Le Coco. *Coco* is a 2017 American 3D computer animated fantasy film produced by Pixar Animation Studios and released by Walt Disney Pictures. Based on an original idea by Lee Unkrich, it is directed by him and co-directed by Adrian Molina.

Despite his family's generations-old ban on music, young Miguel dreams of becoming an accomplished musician like his idol Ernesto de la Cruz. Desperate to prove his talent, Miguel finds himself in the stunning and colourful Land of the Dead. After meeting a charming trickster named Héctor, the two new friends embark on an extraordinary journey to unlock the real story behind Miguel's family history.

This was an overwhelming experience for the students as they enjoyed the film.

INTRA COLLEGIATE COMPETITIONS

Date: 24. 09.2018

Venue: LFDC

Competitions Conducted: Memory Grid, Picture Recognition

Attended By: First- and Second-Year Students

French intra collegiate competitions were conducted on 24th September for first- and second-year students in the college premises.

Memory Grid competition: Flash cards of fruits and vegetables were placed in a sequential order. Each flash card was given a number and the students had to remember the sequence of the pictures placed and write the names of fruits and vegetables in French and also in the correct order.

Picture recognition: Pictures of classroom objects were taken and shown to the students by the teacher, which the students have to recognise and write the name of the object in French.

These competitions help the students to learn the new vocabulary as well as it is a motivation for them to learn a new language.

WINNERS LIST

❖ Memory Grid:

S No	Name of the Student	Class and Year	Result

VISIT OF STUDENTS FROM FRANCE

Event: Welcoming of the students from France to the institute

Venue: LFDC

Date: 02. 11. 2018

Little Flower Degree College had invited and welcomed a batch of students who had come from France on 2nd November 2018 at 10: 30 AM. With warm greetings and love the students welcomed them and entertained the guests with a plethora of events like traditional dance, singing and fun games. The event started with a prayer song and a prayer in French. Later on, a traditional folk dance was displayed to the guests. Moving on, few songs were sung by the students in regional languages which were applauded by the guests. After that, many fun and challenging games were conducted by the students to entertain and also, to test the capabilities of students. The students had a brief interactive session with guests about the culture and diversity of respective nations. Finally, the female guests were provided with Mehendi and nail art of Indian origin.

WORKSHOP FOR FRENCH TEACHERS OF OU

Topic: FLE à Travers À Propos

Venue: Osmania University

Date: 03. 11. 2018

Audience: French Language Lecturers

Organized By: Langers International, with the cooperation of Dept of French, OU

Speakers: Mr. Sushanth K. Mishra, French Professor, Delhi University

Mr. Ravi Eshwar Chand, Retd French professor, Osmania University

A One-day workshop was organised by Mr. M Dinesh Agarwal, Director, Langers International, with the cooperation of the department of French, Osmania University for the French language lecturers teaching at degree and university level. The workshop started with the inauguration, followed by the session of Mr. Ravi Eshwar Chand about “The difficult areas of learning”, later on followed by the session of Mr. Sushanth K. Mishra. Mr. Mishra discussed the sample class, how to prepare for the class, different types of exercises, how to compose a question paper and usage of technology for teaching. The workshop was conducted for all the teachers working in the colleges affiliated to Osmania University. The content of this workshop is primarily focusing on the evolution of teaching practices in French as a foreign language. The topic of the workshop was selected keeping in mind the changing scenario of French language at the University level and its ever-growing interest amongst French learners in India. The workshop session was headed by Dr Sushant Kumar Mishra expert trainer from **Langers International**. The convener of the workshop is Prof. Ravi Eshwar Chand, Department of French, Osmania University.

FDP ON BUILDING A VIRTUAL LEARNING ENVIRONMENT

Venue: Little Flower Degree College

Date: 19. 12. 2018

Audience: Academicians

Organized By: Dept of Computer Science

A Faculty Development Program was organised by Dept of Computers on “Building a Virtual Learning Environment” in the classroom. This session included on how to make videos using Camtasia Software. Mr Raman gave detailed explanations on how to download the software, how to create a new video, record voices or add special effects, how to edit it, how to save the file and finally how to share the file with the students and how to upload it to the internet. This was a very interactive session through which we could gain knowledge about video making.

EXHIBITION OF FRENCH MODELS AND CHARTS

Topic: Languages and their Diversity

Venue: Karunya Court, Little Flower Degree College

Date: 01. 02. 2019

Audience: Other College Academicians and students

Organized By: Dept of 2nd Languages

The second languages department has organized a Model and Charts Exhibition based on the theme “Languages and their Diversity”. The students have made models and charts like Les Monuments – La Tour Eiffel, Le Château de Versailles, Une Église; A boutique showing about French fashion; Le Théâtre – about French movies; models of different types of cheese and wines; La salle de classe – Le système éducatif en France; La Rue – les directions et les magasins français; La maison françaises; Les Bandes – Dessinées – Les Smurfs, Asterix et Obelix. The students prepared the models and charts very enthusiastically in groups and by this activity they learned new vocabulary, culture and civilisation of France. The students of the college, Vice-principal and Principal visited and appreciated the works done by the students. Other College “St Pious Degree and PG College ” lecturers and students have visited the exhibition and appreciated the work and were inspired by the work done by the students. They had an interactive session with the students also.

FESTA LETTERARIA (INTER COLLEGIATE COMPETITIONS)

Date: 26. 02.2019

Venue: LFDC

Competitions Conducted: Memory Word Building, Solo Singing

Attended By: Students of various Colleges

Judge: P. Aishwarya (French Solo Singing), A. Harini (Memory Word Building)

French inter collegiate competitions were conducted on 26th February for students.

❖ French Solo Singing:

The students were asked to sing French songs based on the criteria of pronunciation, rhythm, confidence levels and body language.

❖ Memory Word Building:

The students have to say a French word, and then the next student has to repeat the word said by the previous student and say a new word. This sequence has to be followed by the next students. If the student misses the Sequence, then that student will be eliminated. At last, the final three students will be declared winners
