FIELD TRIP - SURVEY OF INDIA

NAME OF THE PROGRAMME : FIELD TRIP
DATE : 28 TH FEBRUARY 2022
NO. OF PARTICIPANTS : 04
VENUE : SURVEY OF INDIA

Faculty of Psychology (PG) conducted a field trip to Survey of India on 28 February, 2022. The field trip was conducted from 10.45 am to 1:30 pm. Four Students of MA Psychology of first year took an active part in the field trip, the objective of the field trip was to get to know about the various dimensions that we have in the Survey of India in terms of research and to get exposure on various subjects projected by them. Various exhibits were displayed and each of them had a host who explained in detail about the models displayed there. During the tour around the hall, students jotted down notes and listened to the hosts regarding various astronomic equipment in the geodesy exhibit hall. Question and answer session was conducted for an hour. Students managed to get a good amount of knowledge regarding theodolites, drones and a few star positioning techniques. The students feedback was positive, given the engaging content of the Field Trip. They likely appreciated the insights about the esteemed department conducting various future prospective activities and its influence on mankind.

FIELD TRIP - DEPARTMENT OF ARTS AND SOCIAL SCIENCES

NAME OF THE PROGRAMME	: FIELD TRIP
DATE	: 24 TH MARCH 2022
NO. OF PARTICIPANTS	: 05
VENUE	: OSMANIA UNIVERSITY

The Faculty of Psychology (PG) conducted a field trip to Osmania University on 24 March, 2022. The field trip was conducted from 9.00 am to 2:30 pm. 5 Students of M.A Psychology of first year took an active part in the field trip. The objective of the field trip was to give practical exposure to various psychological assessments conducted in the Department of Psychology of Osmania University. Psychological assessments were displayed in different stalls to expose students to different aspects of subject such as attention, perception, memory and the influence of social media and screen time on attention - sleep cycle. Students could participate and assess themselves and understood the importance and the process of conducting, scoring and interpreting various assessments and their applications in different settings. Students did a quick review of the interesting and rare collection of books during the field trip which provided an avenue for future study. Students feedback was positive, given the engaging content of the Field Trip. They likely appreciated the insights about the clinical implications of the assessments, and interventions used.

FIELD TRIP - A.V. COLLEGE

NAME OF THE PROGRAMME : FIELD TRIP
DATE : 07th April 2022
NO. OF PARTICIPANTS : 03
VENUE : A.V. COLLEGE

A.V College of Arts Sciences and Commerce has conducted a departmental event Mental Health awareness - Exhibition and training on 7th April 2022. The aim of the trip was to help students understand the various applications of psychology in real life and techniques to deal with stress. The event involved seminars on topics such as alcoholism, sexual disorders, functions of mind and many more, they organised a session on ways to deal with stress with practical techniques to overcome stress. After the completion of the event, students took time to refresh themselves and have their lunch. The outcome resulted in acquired knowledge of new concepts and exposure to different techniques to deal with stress and assess onset better.
