Name Of the Department	Physical Sciences (Physics)
Name of the Event/Title	Seminar: Oceanography
Date	19 January, 2019
Name of the Resource Person	Mr Dr. Siva Srinivas
Participants	100 (Students of Physics from all 3 Years)
Venue	Heritage Hall
The objective of the Event	To introduce the basics of various transducers which are installed in the deep ocean to measure various physical quantities like pressure, speed of tides.
The outcome of the Event	Students understood how INCOIS scientists will give prior information to the society on Tsunami and cyclones.
 <p>Dr. siva srinivas explaining about Oceanographic Studies</p>	 <p>Rev.Bro Vincent Reddy Presenting memento to guest Speaker.</p>

Name Of the Department	Life Sciences (Microbiology)
Name of the Event/Title	Guest Lecture: How does the Brain create the Mind?
Date	8 January, 2019
Venue	Seminar Hall, IICT, Hyderabad
Name of the Resource Person	Prof. Mriganka Sur, MIT. Boston, US.
Number of Participants	14 Students of BTMc & BZC)
The objective of the Event	To provide an opportunity to students to gain understanding on behaviour and its nexus with brain function with an emphasis on computation methods.
The outcome of the Event	Students gained understanding on computational biology and its relevance to human brain function.
  <p>Staff and students attended Guest Lecturer on How does the Brain create the Mind in IICT</p>

Name of the Department	Management
Name of the Event/Title	Student Activity: Auction Station
Date	26 September, 2018
Venue	LFDC Seminar Hall
Number of Participants	36 (Students of BBA)
The objective of the Event	Enhance the management skill among the students, taking the decision in the given circumstance and processing the auction event in the real picture.
 <p>Students participating in the bidding process</p>	 <p>Student exhibit items for auction</p>

Name of the Department	Physical Sciences (Mathematics)
Name of the Event/Title	Inter Collegiate- Two Day Workshop:Data Science using Python & R- Language
Date	6 -7 September, 2018
Participants	B.Sc. Final year students (124)
Platform/ Venue	Computer Lab, LFDC
Name of the Resource Person	Prof. k. Shyamala, HOD Dept. of CSE, UCOE, Mr. D. Arvind Reddy, Data Consultant, Co-Founder of Integrum Lite rum Litera Pvt
The objective of the Event	To understand the importance of data science in any organisation and how it helps in making decisions based on facts by using R-language and Python.
The outcome of the Event	The participants were able to analyse the difference between Python & R – language and concluded that learning both of them is important.
 <p>Ms. Jayanthi Reddy, Vice Principal, LFDC welcoming the resource person Prof. K. Shyamala in the Two Day workshop.</p>	 <p>Rev. Bro. Vincent Reddy felicitating the Resource Person Mr. Arvind Reddy with shawl and memento</p>

Name Of the Department	Physical Sciences (Physics)
Name of the Event /Title	Guest Lecture: Intelligent Transport System
Date	28 July, 2018
Name of the Resource Person	A.Sanjeeva Rao
Participants	III BSc MPCS
Venue	Heritage Hall
The objective of the Event	To Facilitate tier understanding of the use of electronics in Railways
The outcome of the Event	Gained knowledge on Various systems developed to address issues affecting the operations of trains.
	
A.Sanjeeva Rao Explained about Implementation of Latest Technology in Railway network

Name of the Department	Physical Science (Mathematics)
Name of the event/Title	Workshop on Geo-Gebra
Date	10 August, 2019
Name of the Resource Person	Dr. P. Lalitha, Professor in Mathematics
Participants	Final year Electronics, Physics, Statistics students of LFDC (60)
Venue	Computer Lab, LFDC
The objective of the Event	Exploring linear and non-linear graphs by using the Geo-Gebra.
The outcome of the Event	Students Understood that Geo-Gebra is a dynamic mathematical tool that can be used for all levels of education. Understanding the geometrical concepts & innovating the different shapes geometrically was also learnt by the students.
	
	
Students exploring the Graphs and Professors are guiding during Workshop

Name of the Department	Physical Science (Mathematics)
Name of the event/Title	National Workshop: Numerical Computations using MATLAB
Date	6 & 7 September, 2019
Name of the Resource Person	Dr. K. Srinivasa Rao, Professor & HOD in Maths
Participants	Faculty and students from various institutions(80)
The objective of the Event	The purpose of MATLAB was to familiarise the Students and faculty that Numerical computations will lead to development of actual computer codes to solve real problems.
The outcome of the Event	Synthesise best practices in geoscience, environmental science to teach quantitative skills, handling M-files & plotting the various trigonometric curves as diagrammatically.
 <p>Prof. N. Kishan, lightning the lamp in the National Workshop Numerical Computations using MATLAB</p>	 <p>Dr. K. Srinivasa Rao, Rev. Bro. Vincent Reddy lightning the lamp in the National Workshop Numerical Computations using MATLAB</p>
 <p>Rev. Bro. Vincent Reddy felicitating the Chief Guest Dr. N. Kishan, Asst professor, Osmania University in the National Workshop.</p>	 <p>Rev. Bro. Vincent Reddy addressing the participants in the National Workshop on MATLAB.</p>
